FELICITATION CEREMONY FOR IL&FS FIRST BATCH OF WELDING GRADUATES

The first batch of [OGM IL&FS](#) welding students were recently awarded [KANGAN](#) level 1 certificates in Engineering (Welding) by the Honourable Minister of Skills and Entrepreneurship, Sri Rajiv Pratap Rudi.

(The Honourable Minister of Skills and Entrepreneurship, Sri Rajiv Pratap Rudi, Welding Graduate, Naginder Singh and OGM CEO, Peter Linford)

The Minister endorsed the [OGM](#) strategy to deliver Australian vocational skills courses in India providing technical and on the job training with [Leighton](#) India through to job placements internationally.

The Minister encouraged the [National Skills Development Corporation](#) (NSDC) to replicate the strategy increasing the range of courses and participation of trainees.

Attending with the Minister were Mr Dilip Chenoy MD & CEO NSDC, Mr R.C.M. Reddy Managing Director IL&FS Skills, Dr Amanda Day, Counsellor (Education) Australian High Commission New Delhi, Mr Sunil K Chaturvedi CEO Automotive Skills Development Council and Mr Peter Linford CEO OGM.

OGM Technical Institute India Pvt. Ltd receives Affiliation Certificate from the Construction Skills Development Council of India (CSDCI)

OGM is delighted to have received formal approval from CSDCI as a certified Training Provider (TP) for

OGM Technical Institute India Pvt. Ltd launches Trade Skills Courses

Leighton Contractors India Pvt. Ltd has approved for OGM to market and recruit external trainees for the Trade Skills courses at the training centre in Gurgaon. These courses will be certified by the Construction

the construction sector.

With this recognition and approval, OGM will deliver courses in India, certified to CSDCI standards. All OGM courses will be compliant with CSDCI standards. This is in addition to courses certified by our Australian TAFE partner.

For more information on CSDCI, please visit their website <http://www.csdciindia.org/>

Skills Development Council of India (CSDCI).

The course will be for six weeks at the training centre followed by three months On-the-Job (OJT) training. The fees include accommodation and meals as well as a stipend payment during the OJT. The number of enrollments on offer for each of the courses will be limited to 25 per batch. The initial courses offered include Welding, Scaffolding, MEP Helper and Steel Fixing. Additional Trade Skills courses will be added over the course of the next 12 months.

For more information on the Trade Skills courses, please contact Mr Aminur Rahman: ar@ogmti.com.au
