**IL&FS SKILLS DEVELOPMENT CORPORATION LIMITED
RECRUITS for OGM WELDING COURSE**

[OGM](#) India partner, [IL&FS SKILLS](#) have commenced recruitment for the Welding course reaching out to potential trainees using telemarketing of pre-screened potential candidates, counselling, seminars in technical institutions, and community meetings.

The first counselling sessions were conducted during the first week of April and attended by over 50 prospective candidates. The session provided detailed presentations on the training program, briefing on IL&FS Skills, OGM, VETASSESS, value of the skills certification and also a comprehensive Q&A session for all queries.

Prospective students in counselling sessions held on 5 and 6 April, 2013

Pre-screening test /entry gate assessment has been scheduled for 14th April at the IL&FS training center at Ropar, which is co-located with their industry partner, Cheema Boilers Ltd. (a leading manufacturer of Industrial boilers where welding is key component of the boiler manufacturing process).

International Training Program
with **Guaranteed* Welding Jobs**
in International Companies

For **FRESH & EXPERIENCED WELDERS**
under Australian Qualifications Framework (AQF)

India's largest skills training company namely IL&FS Skills Development Corporation (ISDC), a joint venture between IL&FS Education and National Skill Development Corporation, Govt. of India (NSDC) in association with OGM Technical Institute, Australia, and VETASSESS, Australia's Leading Vocational Training Assessment provider, is offering the programs for jobs in Middle East (Saudi Arabia, Dubai, Oman, etc.) and many other countries.

The Placement shall be in companies of repute having executed major projects and been in operations for 10 years or more in Middle East or Australia with extremely safe working record adhering to all international standards/laws.

Our Partners

OGM Australia is our overseas placement and technical partner to provide us training course content with international placements in Welding

VETASSESS is our assessment partner to assess our trainees as per the Australian Qualification framework (AQF)

NSDC is setup to fulfill the growing needs of India for skilled manpower across the sectors.

CBL-IL&FS Institute of Skills Ropar has been setup as a joint initiative by Cheema Boilers Ltd. and IL&FS Skills.

OGM Sponsor Beach Footy

As part of the continuous commitment to community and social programs OGM have been a proud sponsor of AFL (football) in India over the last few years. This year, teams gathered to play the inauguration event of a newly established multi-sport beach festival, funded by the [Australian Sports Outreach Programme \(ASOP\)](#).

The 30 minute friendly games played with modified rules on the beach

(Bombers vs Tigers) was attended by by Stuart Campbell - Australia's Deputy Consul General for South India, Martin Roberts from the Australian Sports Commission, Canberra, Norman Farmer - GM Strategic Development of Surf Life Saving Australia and the Mayor of Trivandrum among many other distinguished local guests, including members of the Olympic Association of Kerala.

OGM is proud to support these programs linking sport with our range of training programs combining career with lifestyle skills and rewards.
