OGM to train workforce for parent company Nasser S Al-Hajri Corporation

[OGM](#) has been called upon by parent company [Nasser S Al-Hajri Corporation](#) to train across a range of skills to meet major project workforce needs in Saudi Arabia and across the Gulf region. This includes the recently awarded Saudi Aramco gasification project with Saipem of Italy.

The Jazan IGCC gasification contract is a major project commencing from February 2015 through to the last quarter of 2017 and with an anticipated peak workforce requirement of 11,000. There will be significant recruitment opportunities for skilled worker graduates of OGM for this project and others from 2015 in the UAE, Qatar and Kuwait.

OGM presentation to Ministry of Skill Development, Entrepreneurship, Youth Affairs & Sports, Government of India

Supporting the Indian government focus on skill development, OGM Technical Institute CEO, Peter Linford met with the Minister of [Skill Development, Entrepreneurship, Youth Affairs and Sports, Government of India](#), Minister Sarbananda Sonowal and his team. The discussion presented OGM strategies of skills training through to employment pathways within India and internationally.

Leighton Training School

[Leighton India Contractors Pvt. Ltd.](#) with support from OGM Technical Institute are building a state of the art trade skills training centre in Gurgaon, NCR. The training institute will deliver a continuous flow of high quality, accredited trade skills training to Leighton's workforce in India. With emphasis on the highest safety standards, the courses are benchmarked to Australian and Indian standards meeting Indian Construction Skill Development Council requirements.

In maintaining high standards of quality and integrity throughout, OGM are managing audits of the

The meeting focused on apprising the Minister of the OGM delivery model, partners in India in training delivery as well as with industry partners for workforce supply and job placement.

The Minister warmly welcomed the opportunity to provide trade skills training to regional India that will develop work skills to boost local industry and attracting investment.
